Wednesday 29 March 2017

Dear Applicant,

Thank you for expressing an interest in the post of class teacher at our school.

We are a busy and friendly two form entry Church of England Primary School on the borders of Peckham, Nunhead and East Dulwich. Our aim is to foster the intellectual, emotional, social and spiritual development of all our children. At St John's and St Clement's, we work hard as a team of learners, so that everyone can achieve their very best. Our goal is to provide outstanding academic and pastoral guidance to each and every child so that they leave us best prepared for the next stage in their education.

At St John's and St Clement's, we pride ourselves on high standards for all learners, while nurturing each individual through our Christian ethos. We have close links with both St John's and St. Clement's Churches.

We have lots of local valuable resources on our doorstep, including a swimming pool. Dulwich Picture Gallery, Sydenham Woods and the Horniman Museum are a short bus journey away. We also have excellent transport links (East Dulwich and Peckham Rye train stations) which allow us, as a school, to take advantage of the plethora of facilities in Central London.

We look forward to receiving your application.

Yours faithfully

Joseph Bell
Headteacher
